

## Information

※This is details of the news  
release on Nov. 17, 2016.

Dec. 27, 2016

From Jan. 28, 2017 (Sat.),

## The airport access will become more convenient.

~Rectify the timetable of Nankai Line and Airport Line and Change the discount rate of  
KANKU-TOKUWARI rapi:t TICKET~

On Jan. 28, 2017, Nankai Electric Railway (CEO: Achikita Teruhiko) will revise the timetable, aiming at enhancing the convenience and reducing congestion. Plus, the discount rate of Kanku TOKUWARI rapi:t Ticket will be changed on the same day.

### 1. About the rectification of the timetables

(1) The date of change

Jan. 28, 2017 (Sat.)

(2) Lines

Nankai Line & Airport Line and some other lines

(3) Content

- Enhancing the convenience early in the morning

Increase one round-trip Ltd. express rapi:t on weekend and one airport express train to Kansai-Airport from 5:00 am to 6:00 am

- Enhancing the convenience late at night

Increase one round-trip rapi:t and two airport express trains from 11:00 pm to 12:00 am and make the last train depart later.

- Measures to reduce congestion in the train

Increase 8-car trains to 61 on weekdays and 48 on weekend. Currently, we operate 23 trains on weekdays and 22 trains on weekends.

※Please refer to the attachment for details.

## 2. About the change of the discount rate of KANKU-TOKUWARI rapi:t Ticket

Since Dec. 2012, we have been selling KANKU-TOKUWARI rapi:t Ticket whose discount rate is high in order to improve the access and promote the use after the facility fee of the airport was deducted. However, because of the recent improvement of the boarding rate, we decided to change the discount rate.

Name	Date	Current fare	New Fare
KANKU-TOKUWARI rapi:t Ticket	Jan. 28, 2017(Sat.)	《Regular seat》 Adult 1,130 yen Child 570 yen	《Regular seat》 Adult 1,270 yen Child 640 yen
