In order to ask for cooperation to make a better environment, we newly issue

NANKAI NAMBA MAP & Manners guide

On March 28, NANKAI ELECTRIC RAILWAY (CEO: Achikita Teruhiko) will begin to distribute the new leaflet “NANKAI NAMBA MAP & Manners guide”. The purpose is to have our foreign customers with different cultures and background understand the manner to make the better environment in the train or shopping facility. To issue this leaflet, we formed a team with staffs from different department. We introduce the 13 examples that can be mistaken because of the difference of the cultural background and customs.

On the backside of the leaflet, there is a map which contains the information such as the hotels and shopping facilities around NANKAI NAMBA Station and Wi-Fi spots. We made an effort so that foreign customers can see it many times.

The detail is as follows.
