※Due to sales will end at the end of March, it will not be possible to purchase tickets that become valid on or after April 1. However, the NANKAI ALL LINE 2-day Pass will remain valid until the date printed on the card or voucher.

## 3. Introduction of New Services (Nankai Digital Tickets)

### (1) Start Date

April 1, 2026(Wednesday)

### (2) Sales Start Time

5:00 a.m., Wednesday, April 1, 2026 (scheduled)

※Due to system update work associated with this change, sales are scheduled to begin at 5:00 a.m. Tickets for Nankai Digital Tickets that are valid on April 1 can be purchased up to the previous day.

### (3) Service Details

Same-day Purchase	Although most products previously had to be purchased by the day before, all products can now be purchased on the same day.
Sales of Child Tickets	In addition to adult tickets, child tickets will also be available for purchase (only when purchased together with an adult ticket). However, child tickets

	are not available for the Rinku Premium Outlets Digital Ticket. In addition, for the Kongosan Hiking Digital Ticket, child tickets are not available when departing from stations on the Senboku Line.
Enhancement of Ticket Distribution Function	Previously, the purchaser was required to retain at least one ticket, but all tickets can now be distributed to other users. However, child tickets cannot be distributed on their own.
Swipe Function	Multiple QR codes can now be displayed on a single smartphone, allowing all passengers to board using the same device.

#### 4. Other Information

For tickets that will continue to be sold, you may purchase and use tickets with a valid start date up to one month ahead at the current price until Tuesday, March 31, 2026. However, for the Koyasan World Heritage Digital Ticket and the Kongosan Hiking Digital Ticket, only tickets with a valid start date up to April 29 may be purchased. Please note that tickets purchased on or after April 1, 2026, will be priced at the new rates.
