Ferris wheel
It is located so high on the hill that you can see the spectacular view of the sea and Misakikoen Amusement Park surrounded by the nature.

Roller coaster
The roller coaster which is the second oldest in Japan is popular for that the Osaka Bay will spread in front of you on the end of course, after rushing through the wood.

Dolphin show
Dynamic dolphin performances in the background of Osaka Bay. The exciting show by highly skilled trainer and dolphin can be seen closely.

Petting zoo
You can experience petting with Goats, Capybara, and feeding them. Even little children will have fun with lots of lovely pets here.

Wakuwaku train land
You can enjoy train driver and conductor experience as well as the powerful train exhibition. Train driving experience with the driving simulator using real movie will make you feel like you are really operating the train.

Pool land RiO
From July to August, recreation pool opens! We have many types of water sliders.

Cherry Blossoms
About 1,000 cherry trees fully bloom in the park every spring.
